ANGLICAN CHURCH NEWS

The recent confirmation class of the Anglican church in the parish of Haliburton attended their first service of holy communion on Sunday morning.

Accompanied by members of their families and friends, the group of 39 attended breakfast after the service.

The Brotherhood of Anglican Churchmen, assisted by two W. A. members, served the breakfast.

Nadene Sisson of West Guilford, one of the members of the class, thanked the people who worked hard to make possible such a happy occasion. "This is a new beginning in your spir-

itual experience," said the Rev. John Taylor. "You have had a long preparation in order to make it a good beginning." He challenged them to grow in Christian learning, in Christian loyalty and in Christian living.

Rotary Meet At Halimar

The Haliburton Rotarians and their wives were invited to Halimar lodge last Thursday evening for the regular

Harold J. Black

weekly Rotary meeting. The host and hostess, Bruce and Marion Henry went out of their way to make this a night long to be remembered.

After a delightful supper the regular meeting got underway. Led by Frank McIntyre, a rousing sing-song was the first thing on the agenda.

The highlight of the evening came when Jack Robertson introduced governor Harold Black who took us on a journey with colored slides through some of the main features of his year in office.

Aided by his wife, Olga, who took all the pictures and operated the projector, Harold did the narrating. The pictures took the large gathering to Lake Placid and to all of the Rotary clubs in district 701 which Harold had visited, finally ending up at the recent Miami convention. And so comes the end of the Rotary year with district governor Harold Black stepping out to make room for the incoming governor, Dooley Greer of Barrie.

The Haliburton club are quite proud to have had one of their members as district governor. Harold Black has filled this position in every way in a most creditable manner.

History Of Highlands Starts Next Week

Starting July 5 the first of a series of articles entitled "In Quest of Yesterday" written by Mrs. Nila Reynolds of West Guilford will appear in the Echo. This is a history of the Highlands of Haliburton commencing with the arrival of the first white settlers in this area. After months of interviewing citizens, acquiring ancient data regarding this subject, the first chapter is ready for publication.

Knowing Mrs. Reynold's ability as a writer, we feel that those who are interested in the early beginnings of the area will be greatly pleased with these historical articles which this paper is proud to present for your reading enjoyment.

We are endeavoring to print photos of places as they looked a century ago and some of the people who through their foresight and industry laid the foundations that have made possible the great development that has taken place here during the last decade.

It has been said that this area has not changed any in the last 40 years. We hope this historical series and accompanying pictures will convince any who have false allusions on this subject, that while our progress may not have been as rapid as some would like, it has been steady and sure.

The Echo would be pleased to receive any old time pictures that residents may have depicting scenes of the early days in Minden, Haliburton or any other section of the Highlands.

Cliff Henderson Injured

Clifford Henderson of West Guilford, who is employed by Hay & Co. had the misfortune to fall off a lumber pile last week.

Dr. H. E. Good was called and had the injured man removed to the hospital where it was found that he had severely strained the muscles of his neck.

We understand it will be a few days before he will be able to resume work.

Public Requests Two Socials A Month

We have been informed that the Legion socials are becoming so popular that they have been approached by a large number to hold them twice a month.

The chairman of the social committee, Fred Ewing, told the Echo today the socials would be held the second and fourth Saturday of each month. The next social will be on Saturday, July 9.

Farewell Party For Minister

Rev. William Armitage, Mrs. Armitage and family were the guests of the congregation of the Haliburton United Church on Monday evening when a party was held in their honor.

The evening was a most enjoyable one commencing with a rousing sing-song conducted by Frank McIntyre, with our organist, Mrs. Elda McKnight at the piano. If we could always have the close harmony in the affairs of our church as was exhibited when those present sang "In the Evening by the Moonlight" and "Love's Old Sweet Song" we would, as a congregation, really go places.

Another feature of the evening was the hour of games and contests conducted by Mr. George Mooney recreational director at Holiday Inn. This diversion proved not only entertaining but highly amusing.

The occasion was tempered with an air of sadness because all present had to face the fact that we were there in reality to say farewell to our minister and his family.

Mr. G. H. Windsor was selected to make the presentation of a purse of money to Rev. and Mrs. Armitage on behalf of the congregation and to express to them not only our appreciation of their work among us but our sincere regret that they were leaving.

Mr. Windsor paid high tribute to the minister for the splendid messages that Sunday after Sunday he had delivered from the pulpit and remarked that he had been pleased to have enjoyed the association with Rev. Armitage during the past three years.

It was not difficult to see that Rev. Armitage was deeply touched by the sterling tribute that had been paid him by Mr. Windsor. In his remarks he stated that always, before making any important move, he made it a practice to seek the guidance of the Holy Ghost, and had done so before finally accepting the call to Little Britain.

However, he said, at the time of making the decision to leave he was not possessed of the knowledge that he had the support of so many members of the Haliburton charge and this fact coupled with the uncertainty of obtaining another minister filled him with regret on leaving us at this time.

The minister closed his remarks with what we consider the best advice ever tendered a congregation. "Whoever your new minister may be, let him know from time to time that you are behind him in his work and ascertain if there is anything you can do to help in the furtherance of that work.

At the conclusion of the evening a dainty lunch was served by the ladies of the W.A.

uated from the University of Wisconsin at Madison, with the degree of Doctor of Philosophy of Forestry.

Orie, now 28, attended rural public school in Minden township, followed by four years in Minden continuation school. He obtained five firsts in grade 13 in Lindsay collegiate.

Entering University of Toronto in 1949, he received his Bachelor's degree in forestry in 1953 and by being awarded two scholarships for \$1,000 each for highest standing in forestry biology from the Spruce Falls Pulp & Paper Co., he was able to receive his Master's degree of forestry in 1955.

At this time he took a position with the federal government, Dept. of Northern Affairs, forestry division in New Brunswick with headquarters at Fredericton.

After working two years he obtained leave of absence to attend the university in Madison, Wisc., which was a start toward his Ph.D. Returning to New Brunswick for another year's work, he again entered the university at Madison in September, 1959, and successfully completed the course and was granted the doctor of philosophy degree in June of this year.

While this may be a record for a native born student of this county, it proved it is not impossible for any talented students who will apply their energy to reach these high awards.

Orie, with his wife and son, spent a few days with his parents in Minden before returning to Fredericton.

Congratulations.

LOCAL WITNESSES TO ATTEND CONVENTION

William Borden, presiding minister of Jehovah's Witnesses, announced today that the Haliburton congregation of Jehovah's Witnesses has been invited to attend a four-day convention to be held June 30 to July 3 at Exhibition Park, Toronto. Mr. Borden will head the local delegation of about 80 persons.

The convention is arranged by the Watchtower Bible and Tract Society for Jehovah's Witnesses. An attendance in excess of 25,000 is anticipated.

"The purpose of this peace pursuing assembly," said Mr. Borden, "is to help people appreciate that the all important one with whom we must seek peace is the Creator, the great God of the universe. It is because the nations of the earth have not sought peace with Him that there is no peace among them. Having dedicated themselves to the Heavenly Father's standards of peace, Christians cannot then do violence to their brothers." There will be morning, afternoon and evening sessions devoted to Bible talks, discussions and practical demonstrations, he explained.

Mr. Borden further reported that several representatives of the Watchtower Society, including F. W. Franz, vice president, will speak in Toronto. Highlight of the convention will be the public address by Franz at 3 p.m. Sunday, July 3 on "Security During War of the Great Day of God the Almighty."

Down Main Street

Haliburton—Well, here it is Thursday, the eve of July 1 which means the summer tourist season is with us once again. All business establishments are open and ready to take care of the big rush. Are we in for a big summer? That is the \$64 question. June was not too brisk and everyone seems to be wondering if the large amount of unemployment will effect the industry. All we can do is wait and see.

A pay telephone is now in use at the side of the new Dysart Municipal Telephone Building on the main street.

Let's leave main street for just a moment to remind one and all that the King Ganam show will be on at the Minden recreation centre on Saturday night, July 2.

We are glad to see Curry Motors Ltd. displaying a smart Skyline Park sign on top of their garage. The sign with large letters, points the way to the park.

Let's keep this holiday week end free of accidents in Haliburton County.

BY CHEVROLET

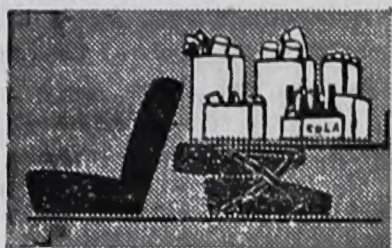

"Four-wheel independent suspension" ... "air-cooled aluminum engine" ... a rear-mounted transaxle "allowing a flatter floor and lower roofline" ... These are some of the praises heaped upon Corvair by the editors of Motor Trend—the world's largest general automotive magazine—in announcing their coveted Car-of-the-Year award. But, unless you've driven a Corvair, you can't appreciate what this engineering achievement means in combining small car economy and agility with big car ride and room. Drop down to your Chevrolet dealer's, take a trial drive and judge the Car of the Year for yourself.

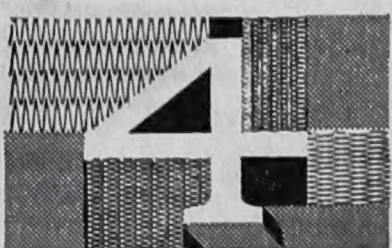

Practically flat floor ... front and rear. Room for your feet, even if you are sitting in the middle. Who but Corvair remembers your feet?

Almost instant heat ... from an airplane-type heater. You don't have to wait for the engine to warm up — Corvair's heater warms in 30 seconds.

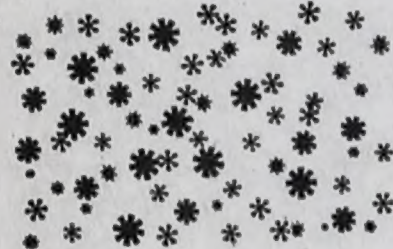

Fold-down rear seat ... that opens 17.6 cubic feet of storage space besides what's in the trunk. Standard in every model, two- and four-door.

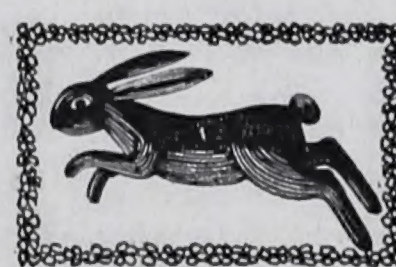

4-wheel independent suspension ... that gives each wheel its own coil spring and its own knee action. RESULT: a smoother, flatter ride.

Corvair 700 4-door Sedan — one of the five Corvair models with Unistrut Body by Fisher.

No fussing with antifreeze ... or water or radiator repairs or water pumps. Corvair's air-cooled engine has nothing to do with 'em.

Rear-engine traction ... that comes with the engine's weight bearing down on the rear wheels. Why be a stick in the mud (or snow or slush) with anything else when you can dig in and go with Corvair?

SILVER WEDDING

ANNIVERSARY

CELEBRATED

On Friday evening, June 17, Mr. and Mrs. John Kernohan Sr. of Minden were pleasantly surprised when about 40 friends and relatives gathered at their home to honor them on the occasion of their 25th wedding anniversary.

About 10 p.m. the bride and groom of 25 years were asked to be seated and the following address was read by Mrs. Fanny Kirkwood:

"Dear Lillie and Jack: It is with a great deal of pleasure that we gather here tonight to honor you on your 25th wedding anniversary.

"May countless happy memories be with you today, as both of you relive in thought the day you took your marriage vows. As the days turn into years we sincerely hope life will bless each anniversary with joyous happiness.

"Your home has always been a place where friends could expect a warm and courteous hospitality.

"You have always shown quick sympathy and a response to any call for help in the community.

"This happy occasion gives us a chance to meet with you, as well as renew old acquaintances.

"We ask you to accept these gifts, as a reminder of the respect and good wishes of your friends, neighbors and relatives."

They were presented with four chrome chairs, silver cream pitcher and sugar bowl, a leather hassock, silver-grey floor mat and a polished nickel tea kettle.

Jack and Lillie, each in their own special way, thanked everyone present for the gifts. All sang "For They Are Jolly Good Fellows."

Mrs. Earl Fader of Lindsay sang a solo "Bless This House," after which Mrs. Fader, Mrs. F. Kirkwood, Mrs. A. Earle and Rev. and Mrs. Lorne Schmitt sang a number of hymns. A number of pictures were taken.

The groomsman and matron of honor of 25 years ago, Mr. and Mrs. Alf Fader of Lindsay, attended the celebration.

The three-story anniversary cake was made and decorated by Mrs. Ken Bowron.

A delicious lunch was served and the evening was brought to a close with a prayer by Rev. Schmidt and everyone joining in to sing "Praise God From Whom All Blessings Flow."
